## January 15 - February 6: Winter Food Drive

United Way of Franklin County is working with local business to collect healthy food and other needed items for community pantries and programs that serve families and individuals.

Items will be distributed to pantries in each of the communities of Franklin County to help restock shelves after a busy holiday season, and to ensure that healthy options are available, along with other desperately needed items for families in need. Books will be offered to pantries, as well as shared with local programs.

### **WISH LIST FOR WINTER FOOD DRIVE:**

**FRESH: Apples, Oranges, Potatoes,  
Carrots, Squash, Beets, Peppers, Celery,  
Garlic, Onions or Beans**
